

CATERING UPDATE!

March 2023

Dear Students, Teachers, Parents and the wider Sandhurst School community...

Culinera are delighted to provide the catering at Sandhurst School. Culinera is an independently owned and independently operated catering company, established in 2020 with the aim of bringing about a new era in food. We create **school restaurants not canteens**; and offer a bespoke service to Sandhurst School.

We wanted to send this newsletter to let you know some of the things we have been up to and of course to remind you about the **fabulous food and fun** we have on offer at Sandhurst School!

Our team at Sandhurst School, lead by our Executive Chef, Jason, have been hard at work to bring you the freshest and most tasty food they can. The team have loved hosting our recent Children in Need fund-raiser, Chinese New Year theme day and more recently our Valentines treats. There is plenty more fun to come so see below the upcoming theme days.

In order to bring you great food, we rely on fantastic people to come to work each day and deliver freshly prepared food. We invest in our teams to ensure they have the right skills, equipment and responsibly sourced quality ingredients to show case at lunch time. We have a strict no-packet mix rule, so everything is as fresh as it can be. Culinera are proud to offer a wide range of options each lunch time to meet the needs of every person - from our showcase main to delicious salads and bakes. We serve over 40 different items each day, so there is truly something for everyone! We serve:

- A wide selection of **grab and go items** including half sandwiches, baguettes, fruit pots, pudding pots, bakes and salads.
- A variety of **healthy, tasty main meals prepared from scratch every day** from carefully selected ingredients. The menu for this term is included with this newsletter! We also run Chef Special options that our team cook up based on what's available in the kitchen, and to try new things!
- Our new PURE range has loads of amazing **free-from choices**, including our very popular chocolate brownie which is made with non-gluten containing ingredients.
- Our salad bars are bursting with **homemade healthy salads**. All pre-boxed and ready to be collected.
- As we move into warmer months, you will be able to taste our new **iced drinks** range, our salad boxes and lots of seasonal dishes.

Please keep scrolling to see more of what we have been up to!

MEET JASON, YOUR EXECUTIVE CHEF

Hi my name is Jason, I am the Executive Chef here at Sandhurst School.

I love cooking at Sandhurst because it's such a great community with a fantastic kitchen team. When I'm not in school I also get a lot of pleasure feeding family and friends. We have two young cats and two young tortoisoes. I am also a big Reading FC fan and have high hopes for this season.

I also attended the school as a student many moons ago, so serving great nutritious food to the students in a school I used to attend is very important to me. I am proud to be part of Team Culinera at Sandhurst School.
